

SCR7

ITEM NUMBER:

ED.77500

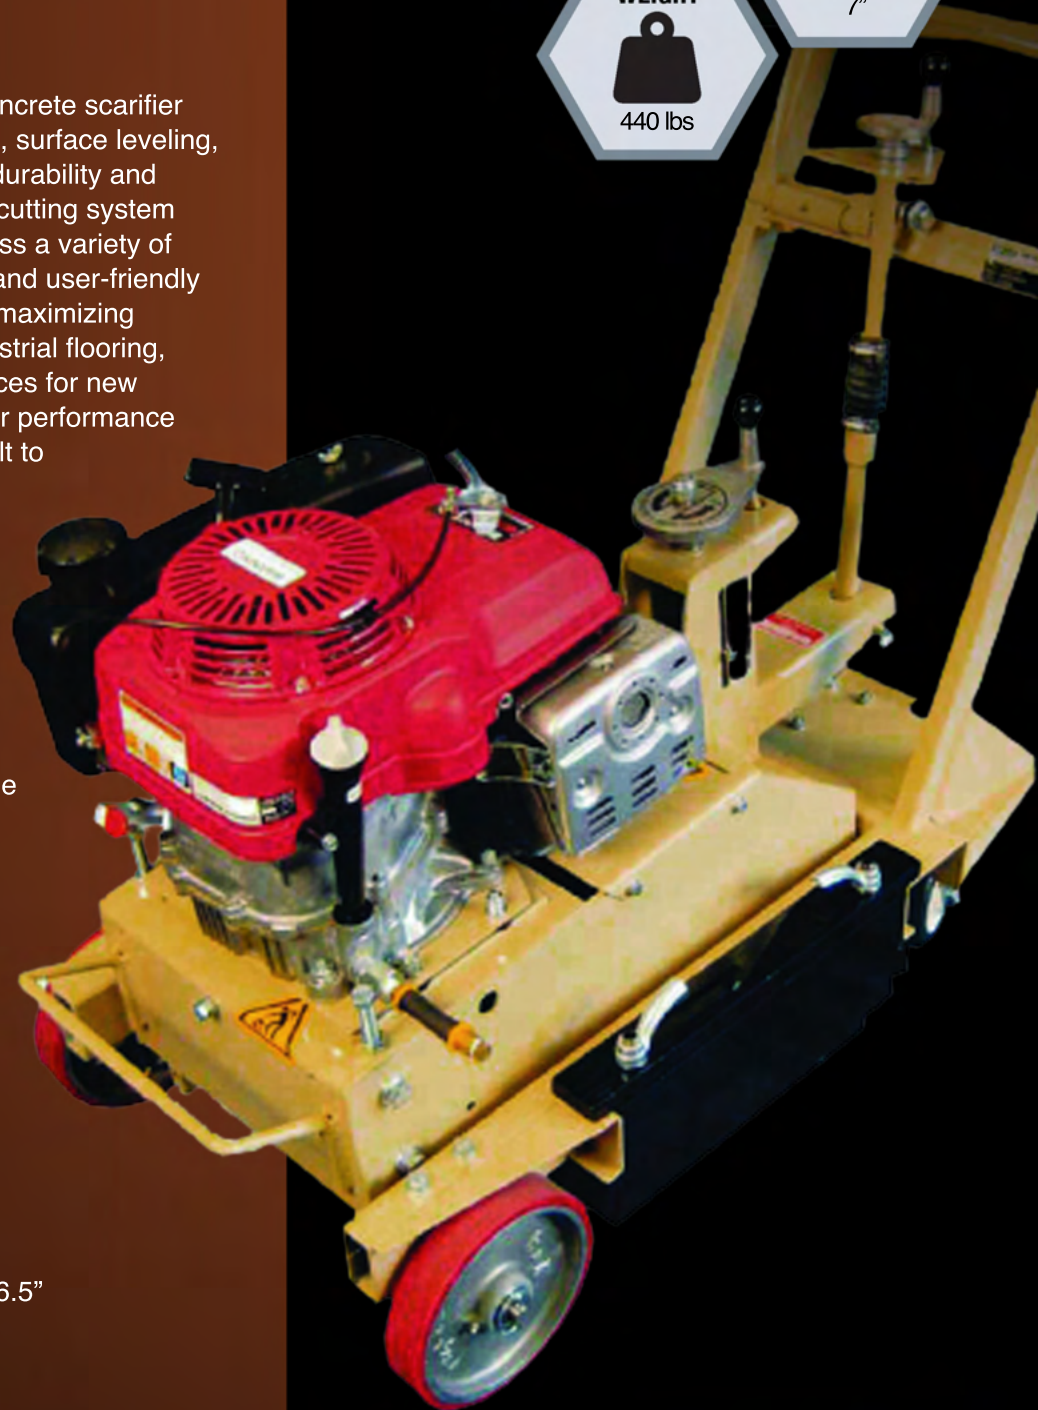

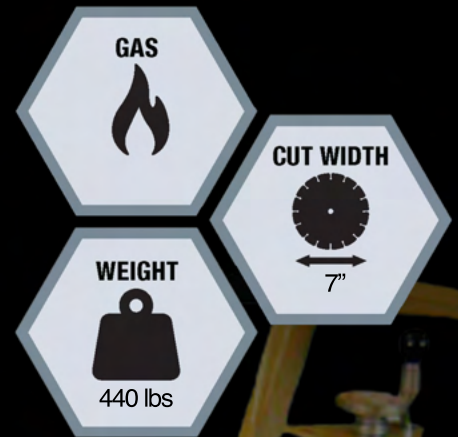

The SRT SCR7 is a high-performance concrete scarifier designed for aggressive material removal, surface leveling, and coating preparation. Engineered for durability and efficiency, the SCR7 features a powerful cutting system that delivers precise, uniform results across a variety of concrete surfaces. Its ergonomic design and user-friendly controls enhance operator comfort while maximizing productivity. Whether you're tackling industrial flooring, removing trip hazards, or preparing surfaces for new coatings, the SRT SCR7 ensures superior performance with exceptional speed and reliability. Built to withstand tough job site conditions, this scarifier is the go-to choice for contractors, flooring specialists, and surface preparation professionals.

TOP FEATURES:

- Tri-Cut Rotary Heads with Tungsten Carbide Cutters
- 48 Pin Design for Minimal Road Damage
- Adjustable Depth Control for Cutter Penetration
- Push or Pull Design To Get Into Limited Access Areas or Congested Areas
- Premium Grade Tungsten for Longer Life & More Production
- Emergency Pull Cord

TECHNICAL DATA:

- Horsepower: 11 HP
- Production: 700 - 1,000 L ft/hr
- Min. Grinding Width: 7"
- Weight: 440 lbs (200 kg)
- Dimensions (L x H x W): 46.5" x 29" x 36.5"
(1181 x 737 x 927 mm)
